Annual GOLF TOURNAMENT

September 16, 2021

Grandview Golf & Country Club ~ 431 Cranehill Rd, Westphal, Nova Scotia

~ Sponsorship Opportunities ~

Following on last year's very successful inaugural golf tournament, we are pleased to be hosting our **2nd Annual MRC Golf Tournament on Thursday, September 16, 2021, at Grandview Golf & Country Club** in Westphal NS. We have been monitoring the current situation and outlook for COVID-19 in Nova Scotia including restrictions, and it is looking promising that restrictions will be eased greatly as the summer progresses into September. We are optimistic that we will be able to host a "near normal" event!

MRC has developed COVID-19 [health and safety guidelines](#) for all events and will implement any aspects of the guidelines, if needed, that are relevant to the golf tournament.

We hope that you can join us at the Grandview Golf & Country Club for a wonderful day on the course, including a post-tournament BBQ (with great food, live music and prize give-aways), and an opportunity to connect with colleagues!

If you are interested in becoming a sponsor, please review the below opportunities and contact Amanda White at 902.717-0716 or amanda@marinerenewables.ca
