

## WEBINAR

# U.S. Jones Act and its implications for Canadian companies in the offshore wind supply chain

June 24, 2021 • 2:00 pm – 3:00 pm AT  
Via ZOOM

The Jones Act is a federal law that regulates maritime commerce in the United States. It requires that transportation of merchandise and passengers between two points in the U.S. must be made by qualified US-flag vessels that are built, owned and operated by U.S. citizens. As the nascent U.S offshore wind industry develops, the Jones Act will have implications for how offshore wind projects are planned and constructed.

### Webinar details:

Date: June 24, 2021

Time: 2pm AT / 1pm ET / 10am PT (*webinar will be 1 hour*)

Virtual via Zoom – *meeting access details will be sent to all registrants*

Webinar presenter: [Felisa Elayne Sanchez, Of Counsel with Foley & Lardner LLP](#)

### Key points will include:

- an overview of Jones Act restrictions and recent changes
- potential applications of the Jones Act to site selection, installation and service and support phases of offshore wind facilities
- strategies for complying with Jones Act requirements for offshore wind supply chain vendors

Join Marine Renewables Canada and the The Consulate General of Canada in Boston on June 24<sup>th</sup> for an overview of the Jones Act and how it applies to Canadian companies looking to enter the offshore wind supply chain.
