# EVENT OVERVIEW

## Join Marine Renewables Canada for our annual summer event, taking place on August 13th in Halifax, Nova Scotia!

The Marine Renewables Canada (MRC) annual summer social is the can't-miss gathering of the season for Canada's ocean and energy industries – a signature evening that brings our members and community together to connect and celebrate the progress and opportunities shaping the marine renewables sector.

This year we're setting sail once again aboard the historic Tall Ship Silva. Join us for an unforgettable evening of networking, live music, hors d'oeuvres, and refreshments — all while enjoying a scenic cruise on the beautiful Halifax Harbour.
